Crew Reunion: Registration Now Open!

If you're a former crew member, come celebrate Pinewoods Centennial at our Crew Reunion from September 12-14. For 100 summers, crews have created a special community by working, dancing, and playing together. Come celebrate these memories and make new ones with multiple generations of Crew all together at Camp. In crew style, this reunion will include work and play as we join together and help to close camp for the season. Info here: <https://pinewoods.org/crew-reunion/>

Hands Across Bathrooms

Last summer, many of you heard about and saw the beginning stages of the bathroom addition to Hands Across. We are happy to report that the construction phase is 80% complete. The plumbing is in, the wiring is complete, and the composting toilets are installed. Next up, the flooring, interior siding, and fixtures will be installed. The final phase will be the installation of the septic to handle the

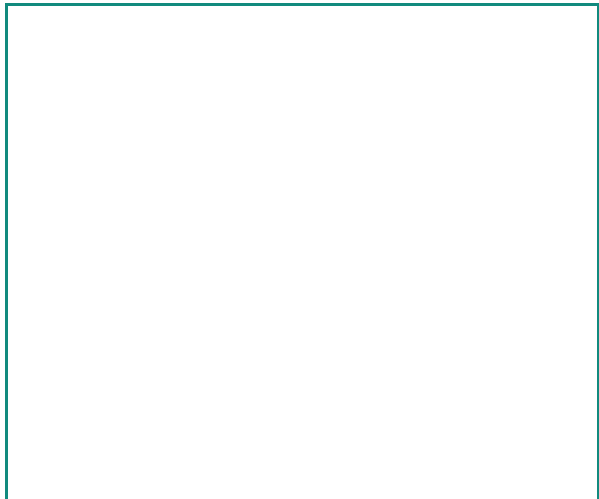

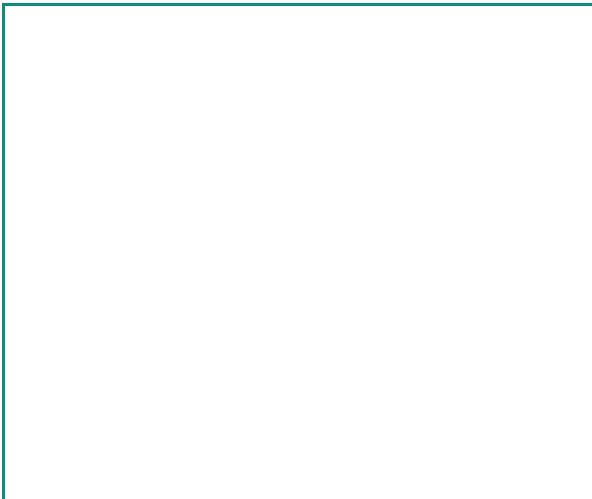

grey water from the hand-washing sinks. What does this mean for campers? More time on the dance floor. Of course, those who like the tradition of taking a break to visit the Camp Store and The Square bathrooms are encouraged to do so.
